

Serviced Office Space Canada

4605 Lapinière Boulevard

Quebec City J4Z 3T5

Surrounded by the picturesque landscapes of Quebec, Brossard offers a blend of urban convenience and natural beauty. The city boasts an extensive network of public transportation, including buses and a metro system, providing easy access to Montreal and beyond. Residents can enjoy the nearby parks and green spaces, such as Parc de la Terre-des-Jeunes and Parc Poly-aréna, perfect for outdoor activities and relaxation. With its diverse dining options, shopping centers like Quartier DIX30, and cultural attractions such as the Brossard Cultural Centre, this vibrant city offers something for everyone.

The construction team is currently busy erecting a new location, another addition to the expansive 4000+ network. These locations aim to provide individuals worldwide with proximity to essential destinations. Specific details about this location will be forthcoming, yet rest assured, that all workspaces are meticulously designed with professionalism and productivity in mind. From ergonomic furniture to ambient lighting and comprehensive onsite facilities, including shared amenities like kitchens and breakout areas, workspaces tailored to accommodate a variety of work styles. Whether prefer to utilize a business lounge, coworking space, or require an office for the day or a meeting room for an hour, covered. Additionally, offers long-term solutions such as ready-to-go offices or fully customizable spaces, as well as dedicated coworking desks. Furthermore, each of the locations can serve as the postal address for business through the setup of Virtual Office.
